

Bridging the Arts Application

Fall / Spring year _____

Apply to be a BtheArts student instructor. This four (4) unit course is a unique opportunity to create and conduct comprehensive arts curricula in bay area schools. BtheArts instructors design lessons that expand the boundaries of our cultures and the limits of our perceptions through experimentation with visual and performing arts, media and content. You will provide new opportunities to local teachers through cooperative development in the arts and introduce young students to critical thinking strategies. The theme-based curriculum you plan will be composed of weekly lesson plans over a ten-week period. Be prepared to dedicate time and energy to your project each week. Space is limited to fifteen (15) students. To be eligible, students must:

- be registered at UC Berkeley for Spring 2013
- have a GPA of 3.0 or higher
- major in Art Practice; Music; or Theater, Dance & Performance Studies
- be able to conduct weekly lessons in a Bay Area school for the duration of the semester
